

Joshua Tree Escapes

Dinner Recommendations

Pie for the People

The most authentic and ultimate pizza experience you could ever imagine. They will sometimes even deliver but don't count on it :) Often long line ups.

Joshua Tree Saloon

Unless you make a reservation, be prepared to wait here too. Always busy. Food is decent.

Royal Siam Cuisine Thai Restaurant

Simple, yummy Thai food. Not a whole lot of ambiance so we usually do take-out.

Pappy and Harriet's

Very popular. Be prepared to wait. Sometimes a loooooong time. But you can take the time to explore the Old West town in Pioneertown. This is a great venue for live music too and the Rolling Stones have been known to drop by to play a set on occasion. 53688 Pioneertown Road Pioneertown, CA 92268 Phone (760) 365-5956

Joshua Hookah Lounge

In addition to hookah they make great kabobs

29 Palms Inn

We love this place and it's a great place to go for an early dinner after hiking to 49 Palms Oasis. Best carrot cake on the planet.

73950 Inn Avenue Twentynine Palms, CA 92277 Phone (760) 367-3505

Sam's

Actual authentic Indian food! Really delish. We usually do take-out but it's not so bad to eat in too.

The Palms

Old school fun.

Landers Brewing Company

It's a dive. There is no food - except sometimes a girl sets up a table and makes tacos, but don't count on it. Lots of great beer on tap. The wine is terrible. There is a pool table and a jukebox and the owner's giant dogs sleep on the sofa and keep an eye on things.

If you don't like dive bars, do not go here.
